Dear Parent/Carer

Our school is now going cashless and as part of this process our school uniform supplier Tots to Teams will be taking all uniform requests through their online service.

Ordering uniform is easy you just need to go on their site <https://totstoteams.com>, look for the St. Wilfrid's logo and click, it will show the items we sell. As you would order online items it will take you to a basket where you pay, and have the option to have it delivered to home or to the school. Home delivery is £3.95 and to school is free. Tots to Teams have informed us that it takes 2 weeks plus to deliver to school and they won't deliver just one item, they will hold until a batch of items has been ordered.

During their busy times June and July when the majority of stock is ordered for September, waiting times are longer so please order early for September uniform.

We will not be selling uniform from school when all items run out, and you will need to use the online service.

If you have any queries please speak to a member of the school office.

Thank you.

Yours sincerely

Mrs Johnstone  
Headteacher
